

PORTABLE POWER STATION

Take power wherever you go. PHOENIX 200 is one of the lightest portable power stations with only 5.3 pounds and a capacity of 222Wh. PHOENIX 200 can be charged to 80% in 1.5 hours when AC and USB-C are charged simultaneously at maximum power. It provides 4 recharging options: AC, USB-C, solar, and car. The PHOENIX 200 solar generator can power 6 devices simultaneously and charge devices while recharging itself. It's ideal for camping, road trips, photography, remote work, and outdoor activities.

Smart Recharging Algorithm for Extended Battery Life

Charges at full speed when the battery level is low

Slow down the charging speed automatically when the battery level approaches **100%**

Intelligent LCD Display

Quickly check your charging status with an informative LCD display, including battery level, input and output power, and estimated recharging time.

When no operation is made for 5 minutes, the LCD Display will go out automatically to save energy. Short press the Power Button with PHOENIX on to light up or dim the LCD Display manually.

Customizable Power Saving Settings

Phoenix 200 power station will automatically turn off the CIG Port or AC Outlets to avoid power consumption when they are not connected to the device, or the connected device's power is relatively low for more than 1 hour.

You can also manually disable this function or enable it with one simple operation to meet different usage needs, such as low-power devices or devices that work intermittently (such as refrigerators).

Prolong Your Outdoor Adventure
Outlets turn off automatically after one-hour idling

Saving up to **6Wh/h**

Auto-off function is allowed to disable outlets timeout manually

High Quality Output and Quiet Operation

Pure Sine
Wave

High-quality Output and Quiet Operation

Pure sine wave technology provides high-quality AC power equivalent to mains power, protecting your sensitive equipment such as CPAP. Phoenix camping generator always operates with low noise, so it can be used without worry, even while sleeping.

PACKAGE INCLUDES

PHOENIX 200 Portable Power Station

1 x

AC Adapter

1 x 19V=3.42A, 64.98W

AC Power Cable

1 x 18AWG, 5.91 feet / 1.8 m

Car Charge Cable

1 x 16AWG, 4.92 feet / 1.5 m

User Manual

1 x
